

# IOWA'S WIRELESS EBT PROJECT

*Bringing Farmers Markets and Supplemental Nutrition Assistance Program (SNAP) Together*

The Wireless EBT Project helps provide fresh and nutritious foods from farmers markets to your family. Certain farmers have a wireless machine that can accept the Electronic Benefit Transfer (EBT) card as payment at farmers markets, roadside stands, or even on the farm. Look for the signs with the Iowa EBT card. You can spend your SNAP benefits at the farmers markets and roadside stands listed in this brochure.

*SNAP EBT can be used to buy fruit, vegetables, meat, eggs, baked goods, honey, cheese, herbs, jelly and jam, etc.  
 You may not use EBT for hot prepared foods or hot drinks.*

For more information visit
